About Azeus Systems Holdings Ltd.

Established in 1991, Azeus is a leading provider of IT consultancy services. Headquartered in Hong Kong, Azeus has established offshore software development centres in the Philippines and China. The Group acquired BIGontheNet, an award-winning provider of eBusiness software solutions based in Singapore, in February 2005. Besides designing as well as implementing a wide range of IT software and systems to fulfil the outsourcing needs of customers, Azeus also provides maintenance and support services. The Group has won the first and thus far, only business processes outsourcing project from the Hong Kong Government, covering IT consulting, IT maintenance and support, as well as office operations and support services.

Azeus is appraised at the highest level of the CMMI-SW model, endorsing its commitment to delivering high quality work. Its emphasis on consistently high quality solutions has enabled the Group to build a solid track record of over 100 projects for many government departments and over 15 projects for the commercial sector in Hong Kong.

Azeus was listed on the Mainboard of SGX-ST in October 2004.
