### **AZEUS SECURES TENDER TO PROVIDE IT SERVICES TO HONG KONG GOVERNMENT DEPARTMENTS FOR A FOURTH CONSECUTIVE TERM**

**Singapore, August 22, 2013** – Azeus Systems Holdings Ltd. (“Azeus” or the “Group”), a provider of IT consultancy services based in Hong Kong, today announced that Azeus Systems Limited, a wholly-owned subsidiary of Azeus has received the approval to enter into three Standing Offer Agreements (the “Agreements”) for the supply of IT professional services, with the Hong Kong Government.

This marks the fourth consecutive approval from the Hong Kong Government for the agreements. The approval was received following the expiration of the previous agreements as announced in August 2009. The new agreements have taken effect since July 31, 2013, and will last for a period of 48 months.

Mr Lee Wan Lik, Managing Director of Azeus said: “We are pleased to continue onto the fourth term. This started from the first term 16 years ago, when we were the only local Hong Kong company in the Major Group for system implementation among the HP, IBM and EDS brands. Our ability to leverage innovation and information technology as a means to improve productivity and enhance overall organisational competitiveness has played a key part in the growth of our business. The award of this tender is testament to the level of client satisfaction with the Group’s quality solutions and service delivery.”

## **About Azeus Systems Holdings Ltd.**

Established in 1991, Azeus is a leading provider of IT consultancy services. Headquartered in Hong Kong, Azeus has established offshore software development centres in the Philippines and China. The Group acquired BIGontheNet, an award-winning provider of eBusiness software solutions based in Singapore, in February 2005. Besides designing as well as implementing a wide range of IT software and systems to fulfil the outsourcing needs of customers, Azeus also provides maintenance and support services. The Group has won the first and thus far, only business processes outsourcing project from the Government of the Hong Kong Special Administrative Region, covering IT consulting, IT maintenance and support, as well as office operations and support services.

Azeus is appraised at level 5, the highest level of the CMMI-SW model, endorsing its commitment to delivering high quality work. Its emphasis on consistently high quality solutions has enabled the Group to build a solid track record of over 100 projects for many government departments and over 15 projects for the commercial sector in Hong Kong.

Azeus was listed on the Mainboard of SGX-ST in October 2004.
