

NEWS RELEASE

AZEUS SEALS UP TO £1.42 MILLION IN CONTRACT VALUE WITH UNITED KINGDOM LOCAL COUNCIL FOR THE PROVISION OF SOCIAL CARE CASE MANAGEMENT SYSTEM

Singapore, 27 September 2018 – Azeus Systems Holdings Ltd. (“**Azeus**” or the “**Group**”) today announced that it has completed and signed a contract valued up to £1.42 million (approximately US\$1.83 million) with a local council in the United Kingdom (“**UK**”) for the supply, support and maintenance of an Adults and Children’s Social Care Case Management System with the Group’s proprietary product – AzeusCare.

AzeusCare is an integrated case management system that provides a wide range of solutions for supporting the delivery of services for managing and delivering social care for both children and adults. In particular, AzeusCare supports the delivery of the requirements of the UK Care Act 2014 with a comprehensive set of tools to manage both the case management and finance requirements under a fully integrated system. Additionally, the system provides a comprehensive recording environment for service delivery in the areas of early intervention, special educational needs and disabilities (SEND) and children’s social care.

The contract sum, which represents the purchase of all modules of the bid and related services, is the total cost for the full potential seven years of the contract, for the period 1 October 2018 to 30 September 2023, with options to extend annually to 30 September 2025.

Mr. Lee Wan Lik, Managing Director of Azeus, said, “We are pleased to announce yet another business win to our track record of public sector projects in the United Kingdom – the provision, support and delivery of the social care management system for adults and children with a local council. This signifies confidence in Azeus’ IT products, specifically AzeusCare, having been chosen as the preferred suite of IT solutions for social care.”

About Azeus Systems Holdings Ltd.

Established in 1991, Azeus is a leading provider of IT consultancy services. Headquartered in Hong Kong, Azeus has presence in the United Kingdom, the Philippines and China. Besides designing as well as implementing a wide range of IT software and systems to fulfil the outsourcing needs of customers, Azeus also provides maintenance and support services. The Group has won the first business processes outsourcing project from the Hong Kong Government, covering IT consulting, IT maintenance and support, as well as office operations and support services.

Azeus is appraised at the highest level of the CMMI-SW model, endorsing its commitment to delivering high quality work. Its emphasis on consistently high quality solutions has enabled the Group to build a solid track record of over 100 projects for many government departments and over 15 projects for the commercial sector in Hong Kong. Azeus has also developed several world class software products and have achieved an international customer base spanning over 70 countries in both the public and commercial sectors. In recent years, the Group has also expanded its operations into the UK, and established a growing track record of public sector projects for UK government bodies.

Azeus was listed on the main board of SGX-ST in October 2004.
